UPPER MONTCLAIR
COUNTRY CLUB

THE WORLD IS OUR JOBSITE WHEREVER YOU GO, MAPEI IS THERE

As the leading global manufacturer of mortars, grouts and adhesives, MAPEI also offers the full spectrum of chemical products for construction projects – everything from dams, bridges and tunnels to malls, hospitals and condominium towers. We partner with the architectural community by providing a single source for system specifications, technical expertise/consultation and practical online architectural tools.

July 25, 2022

Welcome to the **29th Friends of Saint Dominic's Golf Tournament** at Upper Montclair Country Club. We hope you all have a great day of golf!

29 years ... quite an accomplishment! Round of applause to all of you who have given your time, efforts, and financial resources to ensure this tradition continues ... and the necessary funding to Saint Dominic's Family Services is met.

As most of you know, all our golf tournament revenues benefit **Saint Dominic's Family Services** in Blauvelt, New York. Since 1878, Saint Dominic's Family Services has empowered children, adults, and families facing challenges to thrive in their communities. Their primary vision is to enable those served to achieve their highest potential and live the most independent, stable, and fulfilling lives possible.

Saint Dominic's Family Services core values include ... **Family, Compassion, Hope, Dignity, Potential & Trust**. You are a testament to these core values – **thank you!**

Sincerely,

Ronald J. Sylvestri
Chairman

John T. White
Co-Chair

David Meberg
Co-Chair

ABOUT SAINT DOMINIC'S FAMILY SERVICES

www.sdfs.org

Providing person-centered compassionate care for individuals with developmental disabilities so they can live their lives with hope and dignity in a family centered setting.

Preparing and supporting foster parents so they can provide a brighter future and a loving home and family to neglected, abused, and/or abandoned children.

Delivering a continuum of care to adults with mental illness that empowers them to live with the greatest level of independence.

Enabling children, K through 12, who have emotional challenges and educational deficiencies, to reach their potential in a traditional academic setting and developing the minds of disadvantaged preschoolers, so they are motivated and excited to excel in kindergarten and beyond.

Giving children with developmental disabilities and serious emotional disturbances living at home the opportunity to live in a more stable family environment.
