July 29, 2024

Dear Friends,

Welcome to the **31st Annual Friends of Saint Dominic's Golf Outing** at Upper Montclair Country Club. Once again, we have accomplished our financial goals. This success, as always, is quite an accomplishment and would not be possible without the commitment and dedication of our golf committee, and the generosity of our corporate and individual sponsors.

Thank you to Upper Montclair Country Club and their extraordinary staff for all their assistance and support over the years. We look forward to once again hosting our golf outing at this beautiful course on Monday, July 28, 2025.

As most of you know, our golf tournament revenues benefit Saint Dominic's Family Services based in Blauvelt, New York. Since 1878, Saint Dominic's Family Services has empowered children, adults, and families who are facing challenges to thrive in their communities. Their primary vision is to enable those served to achieve their highest potential and live the most independent, stable, and fulfilling lives possible.

Saint Dominic's Family Services core values include **Family, Compassion, Hope, Dignity, Potential & Trust**. You are a testament to these core value and we are so appreciative of your support.

Thank you, thank you, thank you!

Sincerely,

John T. White, Jr.

ABOUT SAINT DOMINIC'S FAMILY SERVICES

www.sdfs.org

Providing person-centered compassionate care for individuals with developmental disabilities so they can live their lives with hope and dignity in a family centered setting.

Preparing and supporting foster parents so they can provide a brighter future and a loving home and family to neglected, abused, and/or abandoned children.

Delivering a continuum of care to adults with mental illness that empowers them to live with the greatest level of independence.

Enabling children, K through 12, who have emotional challenges and educational deficiencies, to reach their potential in a traditional academic setting and developing the minds of disadvantaged preschoolers, so they are motivated and excited to excel in kindergarten and beyond.

Giving children with developmental disabilities and serious emotional disturbances living at home the opportunity to live in a more stable family environment.
