## THE KATY ANDERMANIS

Foundation

The Katy Andermanis Foundation was created to carry forward a life devoted to faith, service, and Catholic education.

For 58 years at St. Joseph's School Terkville, Katy shaped young minds and nurtured hearts with compassion, excellence, and unwavering dedication. Her commitment to students, families, and fellow educators reflected her deep belief in the transformative power of Catholic education.

We honor Katy not only in remembrance, but in action. Through scholarships and support for teacher professional development, the Foundation continues her mission—expanding opportunity, strengthening our Catholic school community, and investing in the next generation of learners and leaders.

Her legacy lives on in every student supported and every educator empowered.
