

2021 HIGHLIGHTS

Connecting, Educating, and Transforming is a challenge during a pandemic! Members “zoomed” from different parts of the county and country and from different time zones. The option of using video conferencing is a mixed blessing; while we miss the ability to ‘connect’ in person, we were still able to ‘educate’ new members and regardless of where we are, we continue to ‘transform’ our community.

CONNECT

- Recruited 306 members, including 42 new members—exceeding our goal set in September 2020
 - Hosted three Zoom Information Sessions; we found these sessions allowed us to ‘meet’ and learn more about our new recruits
 - Participated in Volunteer New York! Board Speed Dating Event in January; four women will be joining as members for our next cycle
- Held five cultural Impact Xtra events for members and guests—in person and virtually
- Continued to increase our visibility on Facebook, Instagram, and LinkedIn
- Maintained our historical 75% member retention rate—above the 45% national nonprofit retention rate

EDUCATE

- Hosted 217 nonprofit representatives at our Fall Information Session.
- Hosted 70 women at our first virtual KickOff event with WJCS Center Lane Pride Program (2019 Transformational Grant Award)
- Evaluated 42 applications through detailed Finance Committee due diligence
- 153 members and their guests registered for our two virtual Education Events (Youth Needs, Housing Instability)

TRANSFORM

- Granted \$306,000 to Westchester nonprofits (\$2.1M since inception)
- Awarded \$30,000 for four Focus Area Awards to address Housing Instability
- Completed seven in person Hands-On community service events—more than 50 members contributed, donated, or participated
- Our WishList provided numerous donation and volunteer opportunities to help 25 previous grant recipients support their operations and provide direct help to their clients

WELCOME

IMPACT100 WESTCHESTER

Our 8th grant cycle found us in a similar landscape as last cycle when COVID-19 spread across our community, affecting both our members and the Nonprofits that serve Westchester.

Although this year we are still meeting virtually, we celebrate a cycle in which we returned to our mission to award Transformation Project Grants. Every grant, both Transformational Project and Core Mission, continues our goal of making stronger connections between our members and the Nonprofit community.

These awards make a difference in the lives of so many Westchester residents, continuing our commitment to “Give Where You Live.”

Tonight we award our \$2,000,000th dollar and as we do, a heartfelt thank you to all of our members, especially our Advisory, Finance, Focus Area and Grant Review Committees, for your patience, flexibility and willingness to help our community.

2021 GRANT CYCLE

For our 2021 Grant Cycle, we are proud to have **306** members and will award **\$306,000!**

IMPACT100 WESTCHESTER

OUR HISTORY

The Impact100 model of women's collective giving originated in Cincinnati in 2001 when Wendy Steele mobilized 100 friends and business associates to each donate \$1,000 to promote collective philanthropy among women.

To date, over \$55 million has been awarded by Impact100 groups worldwide to fund local needs. Currently there are 52 Impact100 chapters including Australia and London!

Impact100 Westchester was founded in 2012 by Sharon Salomy Douglas. Inspired by her college friend who was affiliated with Impact100 Philadelphia, Sharon's enthusiasm for bringing women's collective giving to Westchester led to the first Impact100 Westchester grant cycle with 132 members.

In this, our 8th cycle, we will award our \$2,000,000th dollar!!!

As our membership grows, we increase our ability to support Westchester nonprofits and achieve significant change in our communities.

IMPACT100 WESTCHESTER

FUNDS A WIDE RANGE OF NEEDS IN OUR COMMUNITY

**TOTAL GRANTS AWARDED
SINCE INCEPTION:
\$2,187,000**

COMMUNITY RESOURCE CENTER - \$30,000

Community Resource Center was able to literally save lives this year. Grant funds were used to help feed families with food vouchers, distribute funds for rental arrears and medical expenses, and provide critical social and legal services, as well as to continue giving hope through educational and workforce programs. This year, we could not have continued to help our county's most vulnerable communities without you.

FAMILY SERVICES OF WESTCHESTER - \$30,000

Funds were spent on:

- 30 new laptops for children living in homes with no technology.
- Continuing the college counseling and summer intern program virtually.
- Created 6 Virtual events.
- We distributed hundreds of postcards and increased our social media presence, including a monthly update of virtual activities in which members can participate.
- Expanding clothing donation locations by increasing locations of drop-off bins and holding two lucrative and community-serving clothing drives.

MT. VERNON NEIGHBORHOOD HEALTH CENTER - \$30,000

Mount Vernon Neighborhood Health Center, Inc. (MVNHC) was able to purchase two 78" commercial freezers and two 78" commercial refrigerators for the food pantry located at our Greenburgh Health Center (GHC). With the addition of the refrigerators and freezers we are now able to offer fresh food to the hundreds of men, women and children who visit the food bank every week.

PORT CHESTER CARVER CENTER- \$30,000

The funds were instrumental in continuing our operations over the summer and fall months, as we learned to cope with the "new normal" and adapt to meet the emerging needs of our community. Impact 100 grant funds were used to assist Carver in meeting one of the most basic needs of our community, food insecurity; thousands of families were fed during these unprecedented times.

2020 Grantee **Boys & Girls Club of New Rochelle**

The clubhouse is closed but their work hasn't stopped. Staff continues to assist with local food needs and provide virtual programming to over 6,700 children and teens.

Join Impact100 Westchester **Give Where You Live.**

BOYS & GIRLS CLUB OF NEW ROCHELLE - \$24,500

Funds were used to pay salaries of program staff upon reopening in September. They allowed us to close the gap between the end of PPP funds and the start of program revenue and public funding. These funds helped us rehire twenty-one of the people needed to staff the four program sites that opened in September. Consequently, more than 200 young people have been able to participate in our Remote Virtual Learning Centers and after school, thus allowing their families to return to work knowing that their children are safe.

CEREBRAL PALSY OF WESTCHESTER- \$24,500

Impact100 Westchester's generosity helped provide the resources to enable us to attain the following positive outcomes:

- The residence communities have remained fully staffed at all times;
- Staff who lacked their own vehicles received safe transportation support to get to and from work;
- Residences have had sufficient healthy food and supplies;
- Staff have had sufficient protective gear, including masks, gloves, and hand sanitizer;
- Residences continue to be sanitized frequently to minimize the risk of infection;
- Residences were provided with additional and enhanced technology and support to aid in remote communication and virtual services; and
- Those living at the residences have been made to feel secure amidst the stresses of the pandemic.

2020 Grantee **Cerebral Palsy of Westchester**

CPW's priorities include making sure their families members are safe, making sure their families stay connected, and making sure that families have the food and supplies they need.

Join Impact100 Westchester

We Are Many. We Are One.

2020 Grantee **Greyston Foundation**

As a partner, Impact100 Westchester joins the Greyston Foundation mission "in offering individuals a chance at financial security for them and their families— one of the best ways to help break the cycle of poverty."

Together, we can change the world - so let's get to work.

GREYSTON FOUNDATION - \$24,500

This grant has helped Greyston continue serving our clients, while limiting the disruption due to COVID. Since receiving this award in June, 116 clients have graduated the Workforce Development program and 36 people have secured permanent positions. As our partner in this life-changing mission, Impact100 Westchester helps individuals facing employment barriers a chance at financial security for them and their families—one of the best ways to help break the cycle of poverty.

2020 Grantee **IMPACT100** **Human Development Services of Westchester**

When New York State went on pause, Human Development Services of Westchester did not skip a beat.

As an essential provider of services, HDSW is continuing to keep its residential homes staffed and branches of food pantry for those who can't access community resources.

Join Impact100 Westchester **Strong Alone. Fearless Together.**

HUMAN DEVELOPMENT SERVICES OF WESTCHESTER - \$24,500

HDSW serves over 3,000 Westchester County individuals and families and we have a staff of 90+ employees, all of whom benefitted from the grant either directly or indirectly. The ability to have the funds required to retro-fit office spaces, establish sanitizing stations, and COVID-19 protocols was a gift that will continue to offer benefits throughout 2021 and beyond.

YWCA OF WHITE PLAINS & CENTRAL WESTCHESTER - \$24,500

In a year that has been fraught with challenges, the time for "community" has never meant more. The YWCA White Plains & Central Westchester (YWCA) applied your generous grant toward the following COVID-19-related expenditures for its Residence:

- Professional cleaning fees for the Residence common area to help keep the facility virus-free
- Air filters for the Residence Common Area filtration equipment
- Supplies including personal protective equipment) such as masks and gloves, cleaning products, scanning thermometers, etc. to help us adhere to safety protocols and prevent the virus from infecting any resident
- Increase Site Monitor salary to perform temperature checks, sign-in, etc.

YWCA of White Plains and Central Westchester **IMPACT100**

WHERE DO YOUR MEMBERSHIP DOLLARS GO?

Of each member's \$1,100 donation, \$1,000 directly funds grants. The remainder goes to the operating fund to cover essential administrative and operating costs including member events, technology, accountant fees, insurance and bank charges. Any donations in excess of the \$1,100 fee from members, friends or corporate matches are greatly appreciated and also help to cover costs.

Thank you to ALL OUR MEMBERS for donating to the operating fund and an extra special thank you to those who contributed beyond the required amount.
