Welcome

IMPACT100 WESTCHESTER

Our 7th grant cycle found us in a completely changed landscape as COVID-19 spread across our community, affecting both our members and the Nonprofits that serve Westchester.

This year we cannot celebrate in person, but we can toast to an inspiring cycle in which over 80 percent of our membership voted to shift our grant giving and award 12 Core Mission Grants to our Nonprofit Community. These awards make a difference in the lives of so many Westchester residents, continuing our commitment to “Give Where You Live.”

Our shift in giving allowed us to continue our goals of making stronger connections between our members and the Nonprofit community, providing greater support to our grantees at a time when the need was greater than ever.

A heartfelt thank you to all of our members, especially our Advisory, Finance, Focus Area and Grant Review Committees, for your patience, flexibility and willingness to help our community.

Before you vote...

WE ARE AWARDING 12 CORE MISSION GRANTS

The award can be used in ANY manner that the Nonprofits feel is consistent with fulfilling their Core Mission. These flexible, unrestricted awards should support the principles that guide the organization's vision, culture, and overall philosophy.

PLEASE CONSIDER IF

- Individuals served are Westchester residents.
- The organization's programs address unmet needs in Westchester.
- Funds will have a Transformational Impact on the organization and the clients served. The impact could be broad and/or deep in terms of the population served.
- The funds might be needed to help bridge a gap in operating revenues due to an inability to fundraise in this current environment.

Particularly in this current environment, Impact100 Westchester is proud to support Westchester Nonprofits.

\$31,000 Focus Area Grants: Food Insecurity

In addition to our Core Mission Grants, this year we awarded one \$15,000 grant and four \$4,000 Focus Area Grants to Westchester nonprofits addressing Food Insecurity.

The Focus Area Grant was created to support the core mission, programs and services, of a specific category of Westchester nonprofits. In the fall, our members voted to fund Food Insecurity for the 2020 Grant Cycle, which became especially important during the COVID-19 crisis.

- ◆ 13 nonprofits submitted applications.
- ◆ A specific grant review committee used Impact100's mission to evaluate the applicants.
- ◆ Five finalists were selected and presented to the full membership for a vote.
- ◆ A web-based voting application allowed women to learn about the finalists and then cast their votes.

Thank you to the Finalists!

\$4,000 awarded to: • Boys & Girls Club of Northern Westchester • Community Center of Northern Westchester, Inc. • Hillside Food Outreach, Inc. • Westchester Community College Foundation.

\$15,000 Focus Area Grant Recipient FEEDING WESTCHESTER

UPDATE FROM FEEDING WESTCHESTER:
Another record breaking month—we have distributed 1.92M lbs. of food to the community during April.

On-site drive-thru distribution upped its capacity by an additional 50% and still ran efficiently.

- National Guard continues to be an asset to us both on the production front as well as increasing our delivery footprint.
- Our receiving dock remained busy this week, having received 28 trucks, for an average of 5.6 inbound trucks per day (we used to cap deliveries at 3 per day!)

IMPACT100 LOOKS FORWARD TO CONTINUING TO SUPPORT THE CORE MISSIONS OF WESTCHESTER NONPROFITS!

IMPACT100 WESTCHESTER

Our History

The Impact100 model of women's collective giving originated in Cincinnati in 2001 when Wendy Steele mobilized 100 friends and business associates to each donate \$1,000 to promote collective philanthropy among women.

To date, over \$55 million has been awarded by Impact100 groups worldwide to fund local needs. Currently there are 52 Impact100 chapters including Australia and London!

Impact100 Westchester was founded in 2012 by Sharon Salomy Douglas. Inspired by her college friend who was affiliated with Impact100 Philadelphia, Sharon's enthusiasm for bringing women's collective giving to Westchester led to the first Impact100 Westchester grant cycle with 132 members.

Through our 7th grant cycle, we have awarded over \$1.8 million! As our membership grows, we increase our ability to support Westchester nonprofits and achieve significant change in our communities.
